Supported devices - Android 4.4+ - Samsung Galaxy S4+ - Samsung Galaxy Note 3+ The top spinner is a folk play game from many countries around the world that allows players to control a tool and make it rotate often, the floor. Usually for entertainment purposes only. But later, a Japanese Japanese author of books created a game in his manga/anime series, modeled after that traditional game. Beyblade did a lot of hearings from 1999 to 2004. Then, after the series stopped, more than 10 years later, there were people who developed it. In 2015, beyblade burst was released, one of the new anime, inheriting only the rules of Beyblade. However, it also attracted many audiences. Create, customize and fight your BEYBLADE BURST tops After that, BEYBLADE BURST has released the game to allow players to experience everything that happens in the anime. This has left viewers around the world excited and achieved a huge amount of revenue from Google Play. So far, BEYBLADE BURST has gained 10 million downloads for itself and is still growing. The content of the game is of course updated regularly. In addition, the game is attractive to many players because it supports an extensive online multiplayer network. When you joined the game, there was a chance to fight opponents in more than 90 countries around the world with leaderboards, custom profiles, an enhanced digital selection, and the ability to earn achievements. In general, the game focuses on the antagonistic experience, so the competition is very high, if you are a fan of Beyblade, you should not ignore it. Create a league, invite your friends, and BATTLE It is very special because it is a fantasy game, so not everything is very binding. But it still has its own operational mechanisms. You will control a Beyblade and have to make it spin on its axis by creating momentum for it with a special device. Later, the Beyblades will run at each other and rub against each other until they knock the opponent out of the ring. With such simple competition rules, it is influenced by many elements of the control device. Players can use their rewards to unlock many dominant types to be able to fight with many players around the world. Plus, if you win challenging matches, you'll unlock virtual tiles to increase the power of your Beyblades. The attraction of BEYBLADE BURST is that you can invite your friends to form a league and fight with many other teams. Players do not have to compete alone and small singles matches, everything will be prepared to create a long tournament. You will participate in a competition and play until you reach the championship after many heated confrontations. In addition, you can also choose a SEASON to play depending on the length you want. Season duration of 1 day, a week or 1 month are available in the game for you to choose and try. BEYBLADE BURST offers two modes for you to upgrade your position in the game rankings. THE ONLINE COMPETE MODE WITH DIGITAL BATTLES mode means you'll be fighting people on the internet, COMPETING FACE TO FACE WITH TOY BATTLES is a real battle, and then the player will update the score in this app. In any rule of the game is the same. Now you are ready to download BEYBLADE BURST for free. Here are some notes: Please check our our Guide. To check the CPU and GPU of the Android device, use the CPU-Z app
